Portrait photography allows the **model's personality** to stand out.

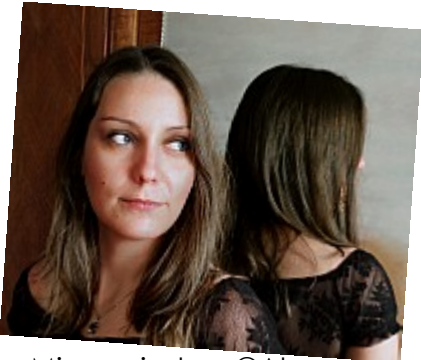

- Retro drapé (black and white) ©AbsurdePhoton -
A drapé that seems to come from the beginning of the XXst century

- Discovery ©AbsurdePhoton -
Hazel eyes & freckled peachy skin - Beautiful!

- Draped portrait ©AbsurdePhoton -
I love this half-smile

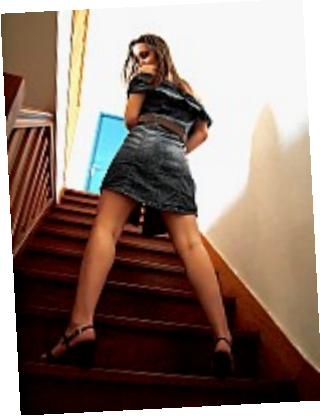

- Mirror window ©AbsurdePhoton -
This portrait in front of a mirror is enlightened by a window by the side she is gazing to

- Desperate Housewife (black and white) ©AbsurdePhoton -
This poor housewife is bored in her kitchen

- De-railed ©AbsurdePhoton -
The perspective is derailed!

- Invitation ©AbsurdePhoton -
Her expression is ambiguous, is this an invitation ?

- Tears will come (black and white) ©AbsurdePhoton -
She wanted to cry, but the tears wouldn't come

- Prisoner ©AbsurdePhoton -
Not exactly a prisoner, she is only playful

- Pedestal ©AbsurdePhoton -
Leaning on her foot, she pretends to be a statue

- Mari-Anne-Lyn (black and white) ©AbsurdePhoton -
Anne pretended to be Marilyn in her little white dress

- Surly ©AbsurdePhoton -
These eyes could kill - one could kill for these eyes!

- Teasing ©AbsurdePhoton -
What did I just say I don't know, this mischievous smile was her only answer

- The bread is singing ©AbsurdePhoton -
The breads, just out of the oven, were "singing". She was just waiting -impatient-
to taste them

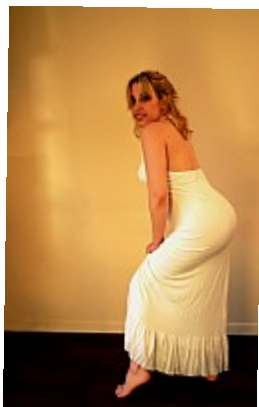

- Not even hidden ©AbsurdePhoton -
You can't play hide-n-seek in the middle of a meadow!

- Melancholy (black and white) ©AbsurdePhoton -
You have to chase away those bad thoughts...

- Sunbathing ©AbsurdePhoton -
Sunbath on a towel on the grass

- The little white dress ©AbsurdePhoton -
In reference to the perfume "la petite robe noire" (the little black dress)
