👓 Virtual paintings photo gallery in true fake 3D

Topics : 👓 3D 🎨 Artistic 🇬🇧 English 🖼️ Gallery 🚶 Nude 🌌 Painting 📷 Photo 👥 Virtual

Using the *depthmap* method to transform already existing virtual « flat » paintings, the **3D** effect brings more depth to them.

With or without 3D glasses, (re)discover my virtual paintings from a different point of view!

Be sure to check how to visualize several 3D photo **formats**.

Between sky and earth painting (original) ©AbsurdePhotonA lost continent under the blue sky

Between sky and earth 3D painting (colour anaglyph) ©AbsurdePhotonThis painting was given a Van Goghish look

Between sky and earth 3D painting (cross-eyed anaglyph) ©AbsurdePhotonThe colours are much better than in the red/cyan version

Between sky and earth 3D painting (animated) ©AbsurdePhotonLook how she's waddling!

Pinup painting (original) ©AbsurdePhotonThe reinforced shades, allied with the touches of painting, have transformed the original photo into an artistic nude painting, which you could almost hang in your sitting-room
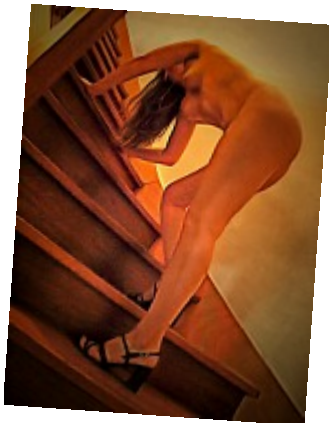

Pinup painting 3D (colour anaglyph) ©AbsurdePhotonThe lighting is a bit weird in this version

Pinup painting 3D (cross-eyed anaglyph) ©AbsurdePhotonThe shapes of this pin-up have been deliberately exaggerated

Pinup painting 3D (animated) ©AbsurdePhotonThe perspective was a bit changed in this one

Sisyphus painting (original) ©AbsurdePhotonAs a punishment for his trickery, Sisy-phus was made to endlessly roll a huge boulder up a steep hill, always rolling away from him before he reached the top

Sisyphus 3D painting (colour anaglyph) ©AbsurdePhotonThe red/cyan conversion gave a greenish look to this photo

Sisyphus 3D painting (cross-eyed anaglyph) ©AbsurdePhotonI love the simultaneous impression of painting/drawing/3D

Sisyphus 3D painting (animated) ©AbsurdePhotonThe stairs angle seems to dance a little
